Great News!

We are very happy to announce that the Riverton Free Library is now a branch of the Burlington County Library.

After careful review of the many benefits of becoming a branch and serious deliberation, the Riverton Free Library Association has signed a renewable contract with the Burlington County Library Commission establishing this relationship. This move was made after years of relentless financial pressure that had begun to threaten our ability to serve our communities.

Through this agreement, the Library Association has been relieved of many fiscal responsibilities but remain responsible for maintaining our library building and paying for utilities, insurance, and improvements. We also provide additional books and programs.

Watch Us Grow!

We are looking forward to an exciting year with this new partnership in operation. The immediate changes are:

- Expanded hours of operation,
- Elimination of the yearly fee to use the library,
- Exciting programs and activities for children and adults that were not previously affordable,
- And most importantly the addition of many new books!

The staff remains the same, and their mission continues to be to provide friendly service to the people of Riverton and Palmyra.

To continue growing, we continue to rely on support from *you*. It is through your generous gifts of time, your monetary donations, and your thoughtful endowments that we are able to provide excellent service. All donations to the Association will be used entirely in support of the Riverton Library, and your contribution will make you an Association member and part-owner of your own local library.

**We thank you
in advance for
your continued support!**
