## PRESIDENT'S MESSAGE

### ***Collaboration!***

With our vision always looking forward, the Association also cherishes the rich history of our neighborhoods.

This past year, we have collaborated with several local groups to complete a very special project – to make some local treasures more readily available to all who wish to research the history of our towns.

When Vice President Stanley Ellis of the *Burlington County Times* generously gave copyright permission to use their *New Era* newspaper, we converted four local historic newspapers from microfilm to a digital format. The files can be found on the Historic Society of Riverton's website, [rivertonhistory.com](http://rivertonhistory.com) as well as at our own site, [rivertonfreelibrary.org](http://rivertonfreelibrary.org). Historic newspaper articles and ads can now be researched or browsed using any online computer.

Funding for the project was also a group effort. We'd like to thank the Friends of the Library, the Historical Society of Riverton, Carlos and Adrienne Rogers of the Historic Riverton Criterium, and the Palmyra Cultural and Historical Society.

We can not let go unnoticed the change in the Association's Executive Board. We welcome Bea Horn to the position of Secretary, filling the vacancy left when Mary Markowitz retired last year. Mary, a Board member for over 25 years, not only kept the Minutes of our meetings, but also provided valuable historical context for changes and innovations to the Library. We thank her for her many years of dedicated service. So glad to see Mary and Bill in town, especially when they visit the Library!
