PRESIDENT'S MESSAGE

New Books!

Libraries offer so many wonderful services — programs, DVDs, computers. But for many of us, the essence of the library is its books.

It can be challenging to make room for everything, especially when our library is quaint in size. The Association has risen to the challenge! This past year, in order to provide some of the most popular adult fiction and non-fiction, and DVDs, we purchased a subscription program that automatically sends to our library the top best sellers on the *New York Times* Fiction and Non-Fiction weekly book lists, and we can select our own DVD titles from a wide range of movies and television programs. Walk-in patrons have access to some of the most popular titles. Mr. Robinson attests that this new collection has helped increase visits and use of our library services.

Since space is tight, what is especially noteworthy is that we have the option of either adding a given title to the collection or, if it was only of passing popularity, it can be returned to the company, thus freeing space for more, new best sellers.

So, when you are visiting the library, be sure to check out what's new in the browsing section of the library. And if you don't see what you want, be sure to ask for it at the desk. We can either borrow it from another library or order it through the McNaughton Plan!

Special thanks to JoAnn DiNoia, Chair Extraordinaire of this past year's Candlelight House Tour and the dedicated RFL Friends group. Our 53rd year of this tradition!
