

# Riverton Free Library Annual Appeal 2023

Hello Riverton and Palmyra Residents,

Welcome to The RFL's 1st Electronic Annual Appeal! It's so wonderful to see your smiles again.

The Library is gearing up for some exciting changes and big events that I am so excited to tell you about.

We recently received a very generous donation that will be used towards much needed upgrades in our building.

We are in the initial planning stages, but this money will go towards the practical needs such as giving our wonderful employees a private Office as well as the fun needs like giving our community a private Study Area and making spaces more functional for our very popular Anime Club and Knit Wits.

We are anxiously anticipating the RFL's 125th birthday in 2024 and are busy prepping and planning events to make it a year to remember. Please reach out to me if you want to help with the Birthday events which will include the (finally returning!) Annual Spring Cocktail Party and the always popular House Tour. Thank you to all that supported our very successful 2022 House Tour.

We would like to say a special welcome to Chris Keller, our new RFL Treasurer, who joined us last Fall. He has big shoes to fill but the Board is very much looking forward to working with him. Thank you to Elaine Mead for years of service you will be missed dearly.

We ask you to please be as generous as possible with this Annual Appeal request. Despite the recent donation that we received through the County, we are still trying to recover from several lost years of fundraising and our building has much needed upgrades and repairs that we need to address as quickly as possible. We are hoping that by offering Venmo, Paypal and traditional checks as options through this Electronic Appeal, we are making it very easy for you to take a minute to donate while also saving thousands of pieces of paper.

Thank you for your continued support and I look forward to seeing your smiling faces out and about this Spring!
